Ville groaned. Half asleep, his blankets pulled up to his eyes.

"What do you want, Bam?" he moaned. "Im tired."

He turned to his left side.

"But Willaaaaa" Bam's finger crawled along Ville's naked body, massaging Villes half-hard cock.

Ville tried to turn away again, but has no sucsess bam following him either side

"You looked so sexy on stage tonight" Bam whispered, biting the shell of Ville's ear. "Ville you know you want to fuck me again. You're dick says it all and im up for it baby".

With no answer from ville bam squeezed Ville's now hard cock.

"You're a bad boy bam-bam. Im gonna have to punish you" Ville moaned.
